066 Diatonic Tembos

Benefits

Promotes Physical Development
Supports strength, movement, and overall physical growth.

Improves Balance & Coordination
Develops balance, coordination, and body control.

Strengthens Muscles
Builds muscle strength through active playground activities.

Boosts Cognitive Skills
Enhances reasoning, focus, and auditory awareness.

Uses

Outdoor Musical Play
Designed for playgrounds, music parks, and outdoor spaces.

Easy to Play
Produces sound by striking the open ends of stainless-steel tubes.

Unique Sound Experience
Creates a distinctive “boing” sound through air vibration.

Encourages Exploration
Promotes sensory awareness, creativity, and musical interaction.

066 Diatonic Tembos

Top view not shown. Seen from above, this instrument is a single narrow line, so a top-view drawing would show no detail. Plan the space using the minimum recommended area given above.

Actual equipment size	Minimum recommended area	Age group	Play capacity
1.2 × 0.6 × 2.1 m	3 × 2.4 × 2.7 m	3–10 years	2 children

Approved rate schedule
(All inclusive)

₹ 1,15,000/-
